Valo Motion gives us something unique to offer our customers.

Chris Kimlingen

Manager of Operations at RPM Raceway

ValoArena is the Rolls Royce of our industry.

Denis Zemund

CEO at Stacja Grawitacja Adventure Parks

Who we are:

Since 2016, Valo Motion has consistently pushed the boundaries of active entertainment. We deliver engaging games that not only physically engage players, but also foster shared, unforgettable experiences.

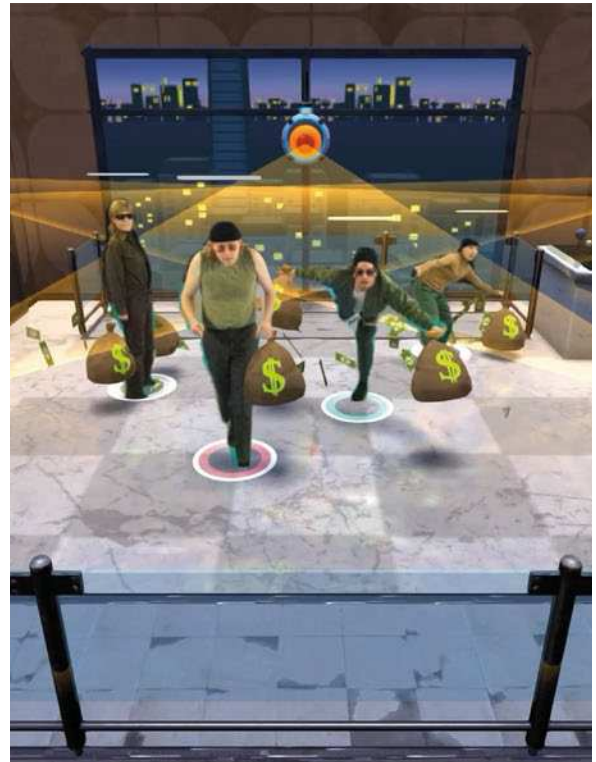

Our award-winning, mixed-reality products - ValoClimb, ValoJump, and ValoArena are fully automatic digital attractions. Specially designed to encourage repeat play and maximize floor-space revenue, these attractions operate seamlessly, requiring no additional staff or wearables.

VALOARENA

ValoArena proudly stands as the world's first mixed reality playground designed for up to 6 players. It offers a selection of family-oriented games that enhance social interaction and provide substantial play value for all age groups. As a multiplayer attraction, ValoArena is not only easy for guests to engage in and enjoy, but it's also remarkably simple to operate.

- Multiplayer – up to 6 players per game and 100 players per hour
- Exciting family-friendly games and levels
- 3–4 minute games

Product size:

Recommended installation sizes:

Recommended floor space: 8m x 8.5m (26.2ft x 27.8ft). Approx. 64 m² (688 ft²)

Recommended ceiling height: 3.3m (10.8ft)

“

For me, as an owner and as an operator, ValoArena is absolutely a dream product because when you get it, you don't need to think about it because it just works.

Denis Zemund

CEO & Co-owner (Stacja Grawitacja, Poland)

Performance from gated admission location:

- Throughput: 8,800 plays per month
- 4 players on average playing 3.56 min per game
- 74.3% utilization per month

To help you compare

All Valo Motion products offer you

- High throughput
- Easy access – step in and play
- Wearable-free & unattended safe play
- Family-friendly, high-quality games

About Valo Motion

We believe that high-quality products should be developed with smiles and a passion for sports and games. We revolutionize how sports and games are combined to create fun and effective exercise. Valo Motion started as a Post-Doctoral research project at Aalto University in Finland, where we continue to develop and manufacture our products. We pride ourselves on the high quality of our products and services.
